Marathon Patent Group Announces Third Quarter Financial Results and Provides Update on Patent Litigation with Amazon.com

**Year Over Year Revenues Increase 108% While Loss Per Share Decreases**

LAS VEGAS, Nov. 13, 2018 (GLOBE NEWSWIRE) — Marathon Patent Group, Inc. (NASDAQ: **MARA**) (“Marathon” or “Company”), today announced its operating results for the three months ended September 30, 2018, as published in its Quarterly Report on Form 10-Q filed today with the Securities and Exchange Commission.

Operating Results for the Three Months Ended September 30, 2018

- Total revenue increased 108% to \$338,673 for the three months ended September 30, 2018 compared to \$162,713 for the three months ended September 30, 2017.
- Operating loss improved to \$1.5 million (including non-cash expenses) for the three months ended September 30, 2018 compared to an operating loss of \$3.9 million for the three months ended September 30, 2017.
- GAAP net loss improved to \$(0.06) per basic and diluted share for the three months ended September 30, 2018 compared to \$(1.06) for the three months ended September 30, 2017.
- The Company had approximately \$3.2 million of cash and cash equivalents as of September 30, 2018.

Minority Owned Special Purpose Entity/Plaintiff Files Suit Against Amazon.

As previously announced, Marathon transferred ownership of various patents to a special purpose entity in which it owns a 30% interest. The transfers resulted in the cancellation of certain indebtedness owed to Fortress Investment Group, LLC. According to various court filings in the case, plaintiffs filed an action that was commenced against Amazon claiming that its Alexa software violates certain claims in the patents. If plaintiffs are successful, and if the recoveries or settlement proceeds are sufficient following litigation expenses and recovery of amounts due in connection with the cancelled loan, the special purpose entity could be entitled to a portion of the net proceeds. There can be no assurance that the plaintiff will be successful or that any recoveries will exceed amounts due under the debt settlement arrangements or that the Company’s 30% interest in the SPE will have any value even if the plaintiffs are successful in their case against Amazon.

Merrick Okamoto, Chief Executive Officer, stated, “We’re pleased to have shown financial improvement for the quarter, including doubling revenues and significantly reducing losses on a per share basis. Looking forward, our management is actively reviewing potential acquisition opportunities. If a successful agreement is reached with a targeted acquisition, we will promptly announce the terms and closing conditions to our shareholders.”

## **Investor Notice**

Investing in our securities involves a high degree of risk. Before making an investment decision, you should carefully consider the risks, uncertainties and forward-looking statements described under “Risk Factors” in Item 1A of our most recent Annual Report on Form 10-K for the fiscal year ended December 31, 2017. If any of these risks were to occur, our business, financial condition or results of operations would likely suffer. In that event, the value of our securities could decline, and you could lose part or all of your investment. The risks and uncertainties we describe are not the only ones facing us. Additional risks not presently known to us or that we currently deem immaterial may also impair our business operations. In addition, our past financial performance may not be a reliable indicator of future performance, and historical trends should not be used to anticipate results in the future. See “Safe Harbor” below.

## **Forward-Looking Statements**

Statements made in this press release include forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934. Forward-looking statements can be identified by the use of words such as “may,” “will,” “plan,” “should,” “expect,” “anticipate,” “estimate,” “continue,” or comparable terminology. Such forward-looking statements are inherently subject to certain risks, trends and uncertainties, many of which the Company cannot predict with accuracy and some of which the Company might not even anticipate and involve factors that may cause actual results to differ materially from those projected or suggested. Readers are cautioned not to place undue reliance on these forward-looking statements and are advised to consider the factors listed above together with the additional factors under the heading “Risk Factors” in the Company’s Annual Reports on Form 10-K, as may be supplemented or amended by the Company’s Quarterly Reports on Form 10-Q. The Company assumes no obligation to update or supplement forward-looking statements that become untrue because of subsequent events, new information or otherwise.
